Three new board members added:

Todd Davis, Kyle Reeves, Tammy Gilliland

There have been no new nominees at this time.

Motion to approve by Ashley Fortenberry, second by Kailey Griffith, all approve

**OLD BUSINESS:** Jeff Lankford

Grants: Grants have not been announced for Spring 2020.

We have not received the grant for Rainbow City, normally paid in early Spring, due to COVID – 19, there is a meeting planned next week.

Individual sports sales: A discussion was presented for options for the sports that do not have a victory tower to purchase a tower vs sell signs/banners/ score table/ etc.

A decision was made by boys/girls basketball and volleyball to sell signs for the season with a plan to combine sales with all three sports and a discussion for a 70" TV on the center of visitor side wall for corporate sponsor display. The coaches will be looking at options and seated until next meeting for a final decision.

A motion was presented by Scott Mayo for a change in softball and baseball banner sales/distribution of funds.

New sign and renewals are currently \$500 - \$250 to SAF, \$250 to sport

A motion for all renewal funds to go directly to the sport. If a new sign is needed for any reason the sport will be responsible for new sign costs.

All approved this recommendation.

Spring media guides were printed and received prior to shutdown and are available - anyone needing these need to contact Jeff.

The next meeting was scheduled for Monday, July 20, 2020.

**Meeting adjourned.** Motion by Jeff Lankford, second by Andrea Rainey.
